

# Sudzie is more than just a car wash

*Sudzie Autowash Inc.*

*Christine Massengill, Owner*

*285 U.S. Route One, Scarborough, ME  
885-8811*

Drive by 285 U.S. Route one and you can tell that Sudzie Autowash isn't your ordinary car wash. Beautifully landscaped grounds, and a friendly sign out front – step inside – this isn't just window dressing. This car wash is like no other around, offering a full-service

all-soft cloth wash with state-of-the-art car wash and vacuuming equipment.

“Cars are a big investment. Step out of your car, relax in our waiting room, enjoy a cup of coffee, and leave the cleaning to us,” says owner Christine Massengill. Sometimes she greets the customers. Other times, she's vacuuming out a car, or behind the counter. Customer service is top priority, and she and her staff do it so well.

Since opening in April 2004, the car wash

has become a destination for some who travel regularly from as far away as Kittery and Bath, to the local weekly customers. Customers appreciate the service. “We have their car looking great, washed and vacuumed in seven to 15 minutes.” Full detailing is also available, and a shuttle service is offered for detailing customers.

Experience the Sudzie Autowash difference – friendly staff and quality service await you. Christine wouldn't have it any other way.
